Education

Lovely Professional University, Jalandhar   **2023 - 2025**
Master of Computer Applications   *7.34/10 CGPA*
Cluster University, Srinagar   **2019 - 2022**
Bachelor of Computer Applications   *8/10 CGPA*

Work Experience

Anudip Foundation (Java Full Stack Intern)   **May 2022 – Oct 2023**
Java Full tack Intern   *Remote*

- Developed and maintained web applications using ReactJS, HTML5, CSS3, and JavaScript, improving UI performance and overall user experience.
- Incorporated RESTful APIs for seamless frontend-backend communication.
- Participated in Agile sprint planning, stand-ups, and code reviews to ensure quality and timely delivery.
- Utilized Git/GitHub for version control and collaborative development.

Technical Skills

Languages : Java, JavaScript, PHP
Frameworks and Libraries: React.Js, Node.Js
Frontend: HTML5, CSS3, Bootstrap, jQuery
Databases: MySQL
Tools and Platforms: Postman, Git/GitHub, Linux CLI, Bash Scripting

Projects

Online Book Store   **Source Code**

- Developed a full-stack web application featuring user authentication, book catalog, robust search/filtering, shopping cart, order management, payment integration, and admin dashboard for inventory and reporting.
- Integrated RESTful APIs and secure payment processing.
- **Technologies Used:** Spring Boot, Spring MVC, Spring Data JPA, Thymeleaf, MySQL, Maven, Git.

Wellness Tracker   **Source Code**

- Built a ReactJS wellness tracking application to log and monitor daily activities such as steps, sleep, mood, and personal notes.
- Engineered a personalized wellness data management flow with secure LocalStorage persistence, enabling users to log and refine their daily health patterns.
- Added CSV and PDF export for entries, enabling users to download and analyze their wellness data.
- **Technologies Used:** React.js, Vite, JavaScript (ES6+), Tailwind CSS.

Movies and TV Shows App   **Source Code**

- Built a web app for browsing and discovering movies and TV shows via external APIs, with responsive front-end using HTML5, CSS3, and JavaScript.
- **Technologies Used:** HTML5, CSS3, Vanilla JavaScript.

Certifications

JavaScript For Web Development   **Aug 2023 – Sep 2023**
Board Infinity
Java Full Stack Intern   **May 2023 - Oct 2023**
Anudip Foundation

Achievements

- Achieved 100 plus successful problem solutions on LeetCode, strengthening coding and problem-solving skills.
- Participated in a college-organized Hackathon and contributed to the development of a full-stack Food Ordering Website.
- Runner-up in Chess Tournament conducted by the University.
- Achieved a chess rating of 1400 plus in competitive play.
